

Flambeau Rama

The 58th Annual Flambeau Rama, one of Wisconsin's longest running festivals, will be held July 29th -August 1st, 2010. Park Falls, with a population of 2800, is located about two hours north-west of Wausau, WI, along the Flambeau River. Flambeau Rama was started years ago to celebrate and share our good fortune - a fortune derived from the Flambeau River. The paper industry in Park Falls has benefited from energy harnessed from the Flambeau River over the years. Our local paper mill is still one of the largest employers in the area. Tourism and local recreation have flourished in this area due to the Flambeau's distinction as a premier whitewater canoe route, its excellent fishing, and its unparalleled tranquil beauty. The Flambeau River is truly an asset to our Park Falls Community. We invite all of you to join us this year in our Flambeau Rama celebration to see what you've been missing!!
