The holiday season is fast approaching! We want to encourage people to keep their dollars local and support our small businesses with our Shop Local Event. We are planning a passport shopping event starting Friday, November 28th through Friday, December 19th. This event is *free for Park Falls Chamber members* to participate in, but all businesses are welcome to join (see non-member pricing below).

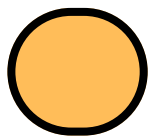

How it works:

Shoppers can pick up a passport card at the Park Falls Chamber office or any participating business to get started. They get their card punched when they visit a participating business. For each punch, they will get one entry into a drawing for a grand prize basket. If they fill their card, they get an additional 10 entries. Drawing will take place on Friday, December 19th at 1pm.

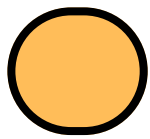

**Please indicate how you would like to participate in the event. Form due back to Park Falls Chamber by Friday, November 14th to be included.**

**We would like to be a passport stop** - Chamber will supply you with passport cards and paper punch. You will need to donate a prize for the drawing prize basket. A Chamber Representative will arrange for prize pick up (Non-member cost: \$10)

**We would like a social media highlight of our business** - the Chamber Director will reach out to schedule a day/time to come and take photos and video to post a highlight of anything special you might want to feature for the holiday season. (Non-member cost: \$30)

**We would like to offer a special deal to passport participants who make a purchase** - this could be a percentage off, buy one get one, or special gift with qualifying purchase, offered on the passport card to give extra incentive for people to visit your business
